

Matrix is pleased to introduce to you the State of Wisconsin Pharmacy Benefit Program for your work related injury. Please dispose of any other workers compensation pharmacy benefit cards you may have, for your work related injury. Make certain you show this card the next time you go to your pharmacy for medication for your work related claim.

About your pharmacy program:

The State of Wisconsin has contracted with Matrix Healthcare Services to have prescriptions for your work related injury filled at no expense to you.

What is Covered?

Only medication prescribed by your physician specific to your work related injury. This program does not cover any prescriptions for any other medical condition.

Which pharmacies can I use?

You may use any of our participating network pharmacies including, Aurora, CUB, K-Mart, OSCO, Shopko, Target, Walgreens, Wal-Mart and almost any other pharmacy you frequently visit in your community. For the location of a pharmacy nearest you, please contact our customer service at 1(877)-804-4900 for assistance.

What if my pharmacy isn't in the Matrix HCS network?

Contact Matrix HCS at 1(877)-804-4900 and we will contact your pharmacy and attempt to add them to our network.

Patient Instructions:

- Take your prescription to the nearest Matrix HCS participating pharmacy. Present your card to the pharmacist. This will identify you as a member of your employer's workers compensation prescription plan. Your pharmacist will submit the required information to Matrix HCS. You do nothing else.
- In the event there is a problem processing your prescription(s) please call, or have your pharmacist call Matrix HCS at 1(877)-804-4900.

Pharmacy Instructions:

- To guarantee rapid and accurate payment please call Matrix HCS at 1(877)-804-4900 24 hours a day 7 days a week for prescription billing information.
- Matrix HCS will give pharmacy online billing information, claimant should receive no out of pocket expenses for their medications relating to their work related injury.
