Year-End Accounting Matters

Changes to the Year End Time Table

• Last Day for Salary Cost Transfers
  June 18th, 2014

• Last Day for UWMSN IUJs
  July 3rd, 2014

• Last Day for JET (JRB and JRT) & NSCT in Cost Transfer Tool
  • July 6th, 2014
  • Transactions posted on 7/4 and over the weekend will be batched on Sunday night (7/6) and appear in WISDM Monday Morning (7/7)
P card System Conversion

• Implementation deferred to August, 2014

• Issues being addressed by US Bank
  • Client side validation is a critical priority being addressed by
    US Bank hoping to be addressed in May
  • Custom Statements level III detail
  • Full views on the transaction management screen expected to be addressed in May

• Training likely will be scheduled for late July/early August

• Rollout would be targeted for completion prior to the start of the fall semester
Guided Expense Tool “GET”

The Guided Expense Tool “GET” was developed in response to campus requests for a more intuitive tool for submitting travel and expense reimbursement.

Pilot Activity

- June through December 2013
- 700 Unique users
- 1,100 Expense reports submitted
- High customer satisfaction reported at the end of the pilot
  - 96% of Traveler & Alternates who responded to the survey would recommend GET to their colleagues

Primary Goals

Timely Submission of Expense Reports
Expense reports are submitted within 60 days of the last day of travel. On average in FY14, 11% of all expense reports are currently submitted after 60 days.

80% Adoption Rate by the end of 2014
Guided Expense Tool “GET”

Current GET usage

• Over 3,500 Unique users
• Over 5,200 Expense reports submitted
Guided Expense Tool “GET”

Ongoing Development

Recent Changes

• Added Business Purpose of Student Travel
• Dates before the departure date are allowed but dates after the return date are not allowed
• Out-of-state travelers coming to Wisconsin, the Billing Type was originally set to in-state. This was changed so that out-of-state is selected for the Billing Type when travelers are coming to Wisconsin but are from another state.
• Meal expense language was changed from “Add Meal” to “Add Daily Meals”
• Fleet vehicle was added as a vendor to the Car Rental expense type instead of being a question up front
• Copy button “error” fixed

In Process

• Ability to import My Wallet transactions from My Corporate Card
• Ability to view the “Status” of reports in GET
• Fox World Travel/Concur is being added as a vendor to the Travel Agent Fee expense type
• Ability for Alternates to work on expense reports that their Traveler created
• Auto-Lo mileage rate is being removed as an option for non-employee profiles
• Vehicle and Registration categories are able to be selected for non-travel related reports

Travel and Cards

Going forward, if you have requests or questions for members of the Accounting Services Travel and Card team, please contact the following individuals:

**Purchasing Card/Corporate Card Programs:** Meghann Suchomel or pcard@bussvc.wisc.edu

– Note: Yvonne Quamme will continue to be the main contact during the procurement card conversion from PVS Net to Access Online and also will continue to be the primary contact for the duration of the pilot.

**Concur/Fox World Travel:** Yvonne Quamme

**e-Reimbursement/GET:** Stefanie Merucci

In addition you can contact any member of the Travel and Card team via email at uwtravel@bussvc.wisc.edu and your email will be answered within 24 hours.

We hope this clarification of responsibilities will enhance our ability to provide outstanding customer service and will make the Travel and Card Area an even more effective campus partner.

Please feel free to contact Rusty Haines if you have any questions.
Cash Balance Forecasting

• Major GPR and PR Funds (101, 128, 131, 136, 150 and 189); Five categories
  1. Academic Student Fees: This category includes all cash balances on separately budgeted Fund 131 programs, all cash balances on Fund 189 for credit extension programs, and all Fund 101 carryover.
  2. General Operations: This category includes all Fund 136 cash balances.
  3. Auxiliary Enterprises: This category includes all Fund 128 cash balances.
  4. Federal Indirect Cost Reimbursement: This category includes all Fund 150 cash balances.
  5. All Other Unrestricted Program Revenue: This category includes a variety of relatively small specific-purpose program revenue appropriations.

• Explanations should be provided for all positive or negative estimated year-end fund balances. Additionally, for positive estimated year-end fund balances, the explanations should identify the amounts committed by contract, encumbrance or DSF (Division of State Facilities) building project.

• Questions regarding the Academic Student Fee or Federal Indirect Cost categories, contact Tim Norris (263-4707) in the Budget Office.

• Questions regarding the General Operations and Auxiliary Enterprises categories, contact Donna Halleran (265-3443) in the Office of Auxiliary Operations Analysis.

• Forecasts are to be submitted to dlanger@bussvc.wisc.edu by May 2, 2014

Multi-Factor Authentication

What is it?

- Multi-Factor Authentication (MFA)
  - Enhance sign-on authentication for SFS
  - In addition to the traditional user name and password, One time Password (OTP) will be required
  - Two options – Key Fob or Smartphone App
Multi-Factor Authentication

Who Will Need a OTP Device?
- Any SFS users that has a SFS security role other than the following:
  - UW_EX_Employee
  - UW_Wisper_User
  - UW_DYN_PO_WORKFLOW
  - UW_EX_Approver
  - UW_EX_PrepayAuditor
  - UW_EX_ExpenseAnalyst
  - UW_EX_NCAAReview

- Received my E-mail on 4/22/2014?
  - You have a role that requires OTP

When will OTP be required?
- DoIT Staff: May 6th, 2014
- Rest of UWMSN: June 3rd, 2014
Multi-Factor Authentication

How to Get your OTP Device

• Step One - Request:
  • Log onto: https://uwdigitalid.wisconsin.edu/
  • Follow instructions outlined in 4/22/2014 e-mail

• Step Two - Retrieve:
  • Attend one of the distribution sessions
  • Will need two forms of I.D.
    • WisCard and one other Governmental issued ID

*All dates tentative and subject to change*
Not Much!

- **SFS Upgrade Implications**
  - New Error Messages
  - Funding is now budget checked for some project funding – Produces “Budget Does Not Exist” error
  - Funding Edit checks are more stringent
  - We are hopefully nearing resolution for complex funding entries on funding entry page

- We anticipate some edit checking on funding rollover – Department ID, project expiration

- To ensure proper sequencing, Finance Team will coordinate Job Data row insertion for:
  - Pay Plan
  - Short Work Break
  - Other Job Data entries
Fiscal Year End Best Practices

- Ensure that all employees Fiscal Year 2014 funding has been updated through 6/30/2014
- Be aware that other HRS activities and their timing impact FYE
  - Pay Plan
  - Summer Prepays
  - Short Work Break
  - Job Data Changes
- C-Basis employees with prepaid insurance must have funding continuously in place over the summer to fund benefit payments, even though no salary is paid
- Submit salary cost transfers/direct retros now to avoid year end processing crunch
- Service Center is working to reduce salary cost transfers/direct retros due to default/suspense funding caused by:
  - Work Study setup
  - Off cycle paychecks
  - Calendar year end payroll, many a result of off cycle paychecks
  - Summer Prepaid Fringes because funding was not setup
  - New hires/rehires/transfers at start of each semester
Manual Funding Entry

- Most accurate method of funding entry
- Recommended for complex funding entries (e.g., more than 4 funding lines)
- Optimal funding entry date is no more than 30-60 days in advance due to potential subsequent Job Data entries

Budget Import

- Project numbers must be included where applicable, otherwise budget import fails for that employee

Funding Rollover

- Convenient, but allows greater potential for future funding issues because rollover is artificially forcing system to insert data
- Mass Job Data row insertions (such as pay plan) in combination with funding row insertions require specific sequencing actions
- Only active employees have funding rolled over
- Only active department and projects will be rolled over
Department Level Funding

- Rolled over from previous fiscal year
- Recommended best practice is that each appointing department be setup with a department level funding
- Department level funding is generally intended to serve as a “stop gap” measure to prevent transactions that stop payroll processing for all employees at all campuses and to quickly identify payroll funding aberrations
- Recommend using a funding that is likely to remain valid for a period of several years in the future
- The Funding Edit Error Inquiry Report and the No Appt-Level Funding Report are intended to proactively identify transactions that are being charged to department level funding while a payroll is in calc
Payrolls that cross FY14 / FY15

- 2014BW07A payroll for bi-weekly employees (6/29/14 – 7/12/14)
- 2014UNC07 V-Basis and S-Basis monthly payroll (A-Basis does not cross fiscal year)

Correct funding is extremely important for all employees on these payrolls

- Salary cost transfer processing for current fiscal year may no longer be available
- Funding as of June 30 is used for funding rollover
Payrolls That Cross Fiscal Years - Biweekly

Fiscal Year 2014:
- Populates funding for 6/29/2014 - 6/30/2014 of 2014BW07A pay period
- Funding is for 2/7 of Week 1 payroll if employee has an active appointment on 6/29/2014, even if employee did not actually work on 6/29 or 6/30
- A FY 2014 funding entry with an effective date of 6/29/2014 is needed if FY 2015 funding changes from FY 2014 funding if the entire 2014BW07A pay period should be charged to the new FY 2015 funding
- Entire pay period will be posted to FY 2015, whether or not funding is changing between fiscal years

Fiscal Year 2015:
- Populates funding for 7/1/2014-7/12/2014 of 2014BW07A pay period
- Funding is for 5/7 of Week 1 payroll plus Week 2 payroll, if employee has an active appointment as of 7/1/2014

Funding Chart Fields Are Setup by Controllers Office (Accounting Services)

- Fiscal Year 2014:
  - Populates funding for 6/23-6/30 (S-Basis) or 6/26-6/30 (V-Basis) of 2014UNC07 pay period for employees with an active appointment at the start of the pay period.
  - A FY 2014 funding entry with an effective date of 6/23 (S-Basis) or 6/26 (V-Basis) is needed if FY 2015 funding changes from FY 2014 funding if the entire 2014UNC07 pay period should be charged to the new FY 2015 funding.
  - Entire pay period will be posted to FY 2015, whether or not funding is changing between fiscal years.

- Fiscal Year 2015:
