

## How to Use WISDM Funding Inquiry

Purpose: To check if funding coded on a transaction is valid or to find out valid funding strings on a grant.

To verify if a funding string is valid:

**TRANSACTION CRITERIA**

Transaction Type  Expense/Revenue  Payroll

As Of Date

Dept

Fund

Program

Project ID

Account

Class Field

Records Per Page

Enter data in these fields and hit Edit.

Error ID	Error Message	Link to Details
0		<a href="#" style="color: purple; text-decoration: underline;">Funding string is valid.</a>

Transaction Type  Expense/Revenue  Payroll

As Of Date

Dept

Fund

Program

Project ID

Account

Class Field

Records Per Page

**This project is closed.**

Error ID	Error Message	Link to Details
-20024	Today's date (jml date) is outside proj dates	<a href="#">PS_KK_CF_VALUE_CHKD2</a>
-20032	The enc dates are outside the project dates	<a href="#">PS_KK_CF_VALUE_CHKD2</a> , <a href="#">PS_KK_CF_VALUE_CHKD3</a>
