

American, Delta, and United have made a system change that had an unintended pricing consequence for reserving Multi-City air travel reservations (a stay over in each city and not just a connection). This pricing issue is not unique to Concur or Fox. All agencies and booking applications including the airlines' sites are affected. If you need to book a Multi-City reservation, please call Fox directly using the contact information listed below. The Agents at Fox will assist you with selecting a fare that best meets your needs. For more detailed information on the Multi-City airfare changes, please see **UW TravelWise**
