

DENTAL BENEFITS OFFERED BY HEALTH PLANS

Health plans may offer routine dental coverage to their members. In 2010, all of the HMOs are offering some level of coverage with no additional premium. Dental benefits may vary from plan to plan. Contact the plan directly for questions regarding dental coverage and providers. The Standard Plan and the State Maintenance Plan (SMP) do **not** offer routine dental coverage.

In addition to the routine dental benefits provided by the HMOs, the University also offers optional dental insurance to employees through the Anthem Blue Cross & Blue Shield and EPIC Dental & Excess Medical plans.

All health insurance plans issue subscriber cards. The chart below indicates which health plan dental provider issues a separate subscriber card. If you did not receive your health or dental subscriber cards, or need a duplicate card, please contact your plan.

Health Plan	Phone	Dental ID Cards	Dental Provider	Phone
Anthem BCBS	800-490-6201	Use Health Card	See Provider Directory
