Upon final approval of an expense report that uses both University and UW Foundation funding, the claimant will receive a single payment for the total amount approved. The University bills the UW Foundation weekly for the expenses allocated to the Foundation. Included with the billing are expense details (e.g. business purpose/justification), list of attendees and UW Foundation account information. The UW Foundation reviews all billing information and determines if the expense is within their established guidelines and reflects the intent of the donor. If approved, the UW Foundation will reimburse the University for expenses already paid to the claimant.

Note: *If the list of attendees is not entered in to the system, please forward an electronic copy of the list to Stefanie D. Merucci at smerucci@bussvc.wisc.edu to be included in the UW – Madison weekly billing to UW Foundation.*
