10	Non-listed, Related Items Discount	0%

All non-listed, related items from manufacturer's catalog or product list are available at 0% discount. The current manufacturer's catalog/price list is dated 7/5/2019. (Attach additional pages as needed to identify all catalog and price lists and identify on the Itemized Bid List the discounts for each of the catalogs or price lists offered.) If more than one price column exists on the price list, Bidder must identify which column will be used as the "list price" from which the discount would be applied.
