--------------------------------	---------------	-----------------

My agency has reviewed the in-scope modules of the STAR System and we **do not** consider the requested software to overlap or conflict with system functionality.

My agency has reviewed the in-scope modules of the STAR System and the requested software does appear to overlap or conflict, in whole or in part, with system functionality. We hereby request that approval be granted to make the purchase.

Provide a rationale for approval of the request where there appears to be a conflict or overlap with the STAR System:
